

Azuaire

Commercial Photography Rates

This is a guide for all of Azuaire commercial photography costs and fees. If you require a commercial photographer and would like a written quotation please call to discuss your detailed brief.

Tel: 07929213865 Mon to Fri 9.00 - 6.00

email: studio@azuare.co.uk

Due to the diversity of each job I provide a cost and breakdown to each client. This will include any other options that may be significant.

Assignments are time based as follows:

Full day: £500

Half day: £285

First hour: £135

Additional hours £65

Image manipulation is charged at £65 per hour.

Travel outside of a 10 mile radius of the studio is charged at 45p per mile.

Models, makeup artist, props, assistants, etc charged at cost.

Specialist equipment may also have to be charged for depending on assignment.

Hotels and expenses, if required, charged at cost.

Prints and display prints can be provided as extras.

What I need from you

A fully detailed brief will be required to enable me to cost and provide the images you require.

If you're unsure or need advice please don't hesitate to get in touch.

What you pay for

My time to plan and take your images.

Processing of your images.

Provision of high resolution images via secure server - cd/dvd available on request.

Licence to use the images. This can vary depending on your requirements; application, location, timescale etc and this will be discussed prior to quote.
